FOREWORD

Those who have produced this volume have had as their goal two major objectives. The first has been to form a record of activities and events of the year so that the student will have some tangible means of refreshing his memory as he relives his school days in the future. This has been accomplished by a mere mechanical compilation of pictures and words. How well this work has been done can only be tested by its success in the future.

The second objective has been to create some consciousness of a certain intangible spirit called loyalty. This task has proved itself far more difficult than the first. Under the guidance of these objectives, we have striven to attain a realization of those high ideals which were established by the founders of our high school.

T H E M E

Rome, queen of the world, whose glamor has come down undimmed through the centuries! Rome, symbol of effort, achievement, and liberty under the law, may the unseen powers that presided over your grandeur at its height still inspire us. May we, in our modern worship of Mercury, not forget the virtues of Jupiter, Minerva, and Vesta. May we take from the noble and beautiful of your age and learn from you to avoid the pitfalls that beset us.

Dedication

To

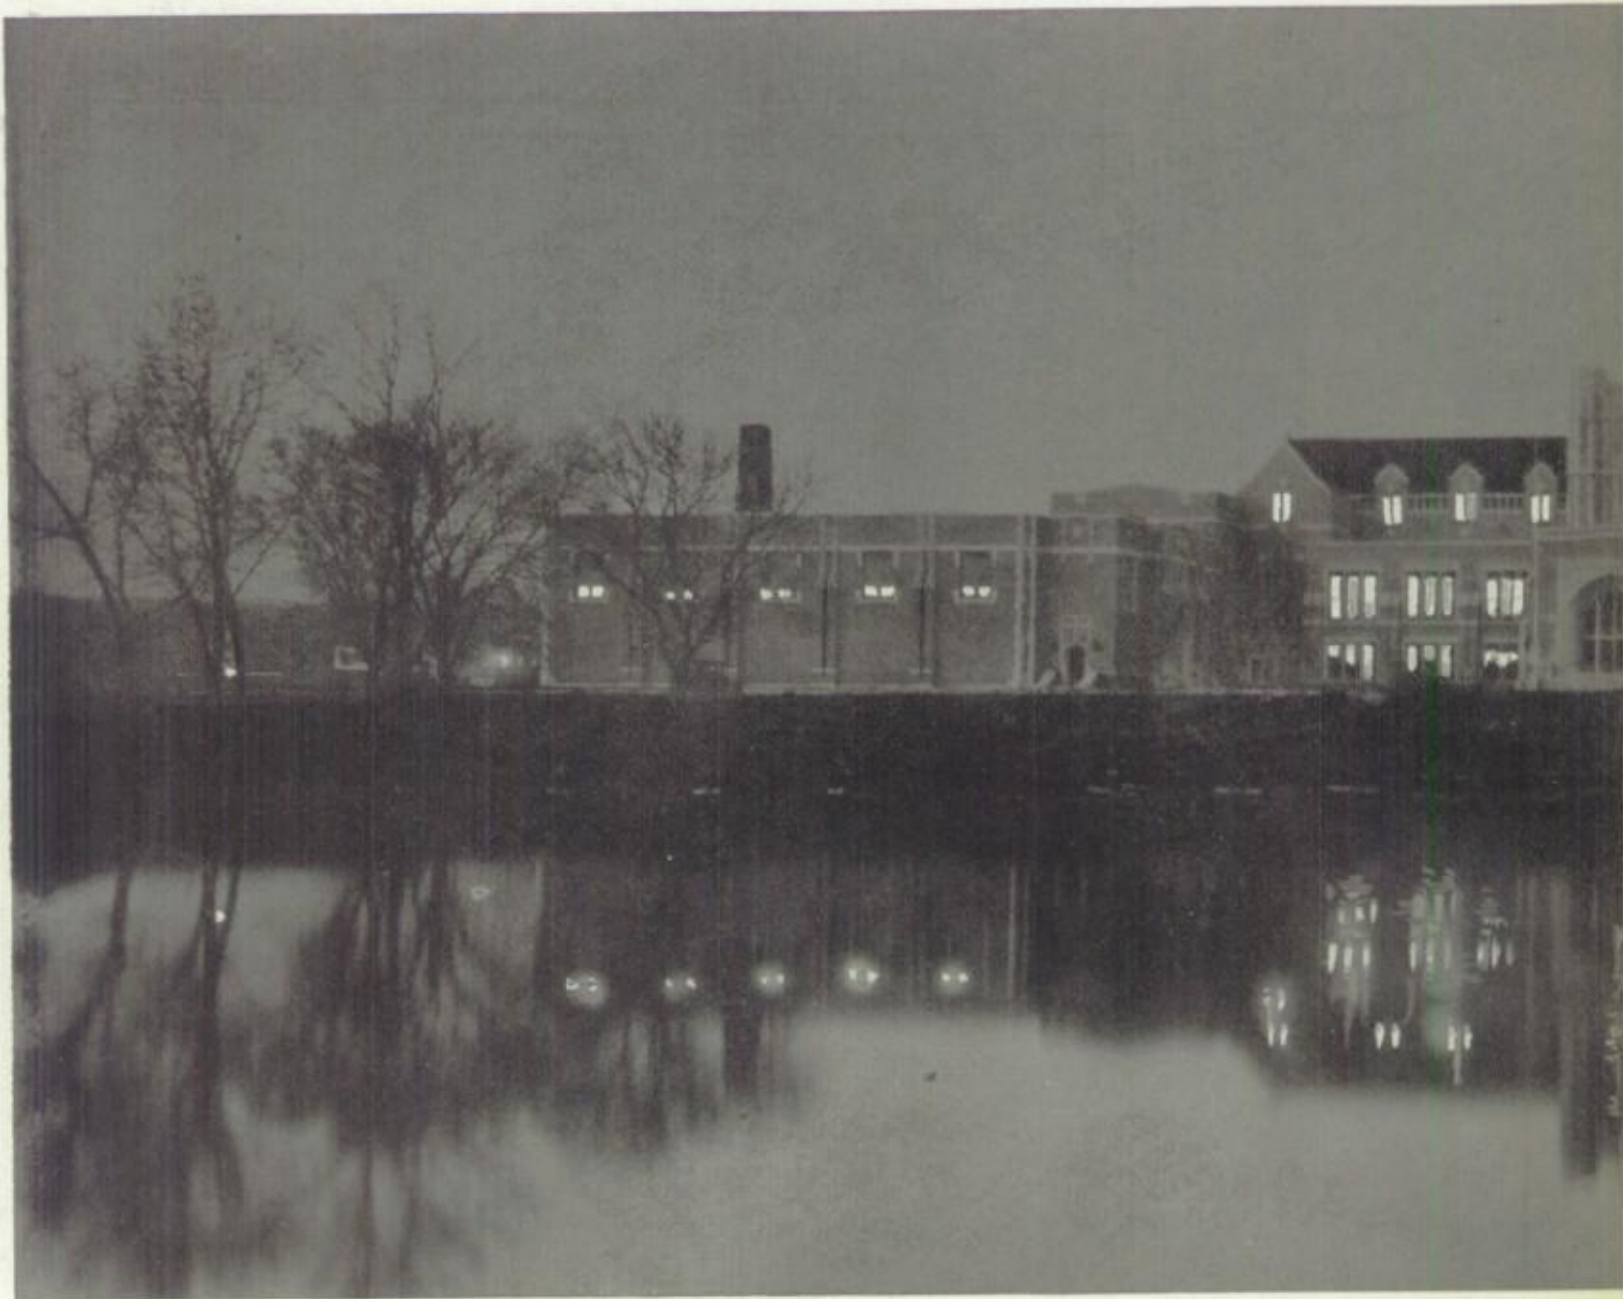

A. H. Lancaster

for his untiring efforts and his great
and personal interest in
and guidance of the student body,
we, the Class of
Nineteen Hundred Thirty-one,
gratefully and respectfully
Dedicate this volume.

ACT I.

The curtain rises in 1837. A new school house is being erected. It is only one room yet the twelve families in Dixon are exceedingly proud of it because it represents a large step toward further civilization, and because it is the first school in Dixon. The students studying from their slates are proud of their new school. There is the feeling of pride in the school room which is shown by the care with which they use their limited equipment. Time passes swiftly on and faces come and go. The curtain falls.

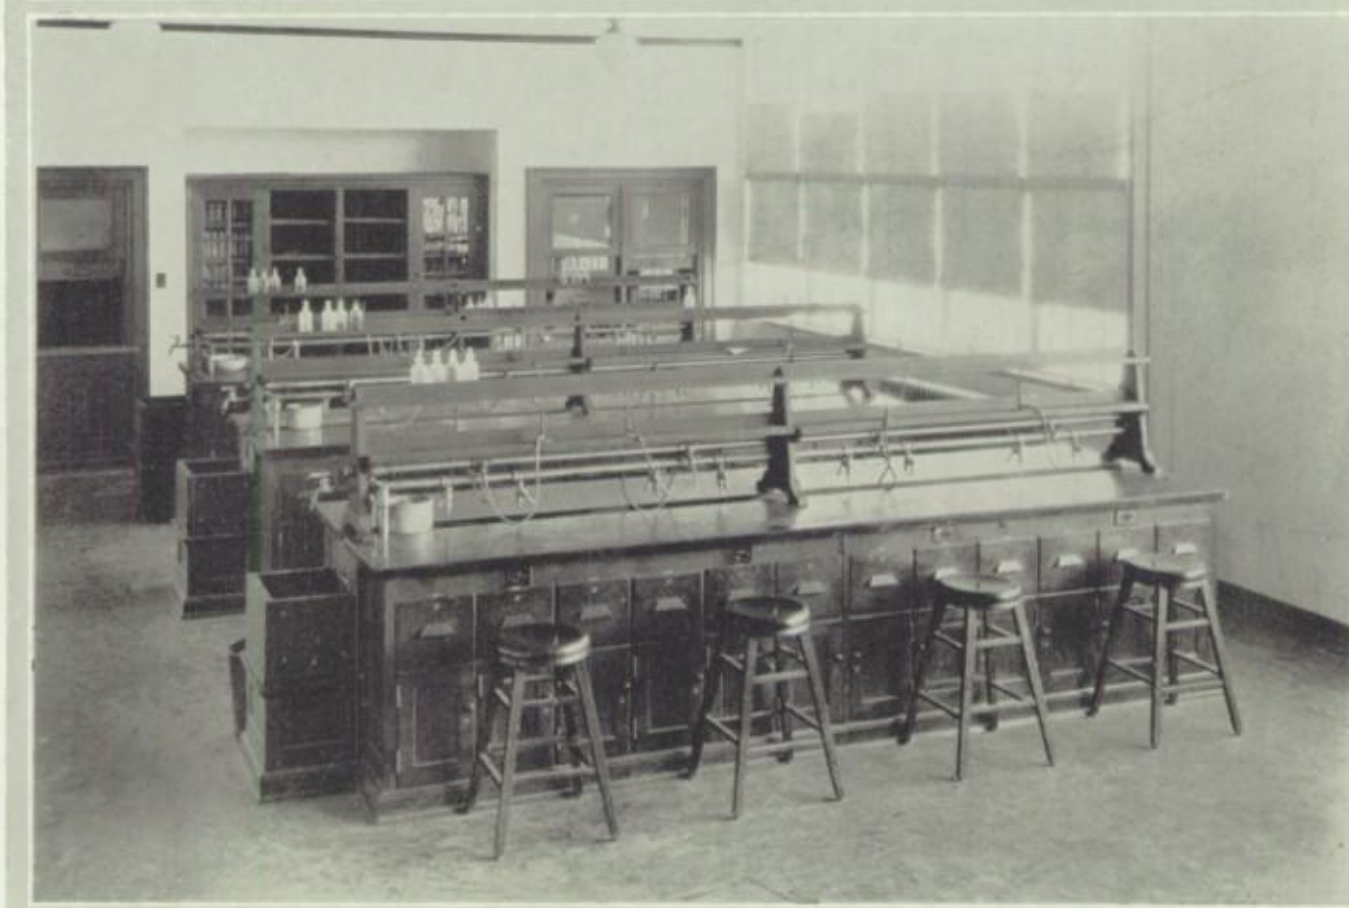

ACT II.

The curtain rises this time in 1931. We gasp as we see the scene before us. Can it be that this stately building belongs to Dixon? The palatial structure, with its spacious lawns, expensive equipment, and marble halls is the new Dixon High School. The town has grown from a population of twelve families to a population of ten thousand, and the high school building in proportion, now accommodates nearly eight hundred students. Much pride is exhibited by the students, and learning seems to become less a task and more of a delight. Time still passes swiftly on and faces still come and go with an ever changing panorama.

History

A TEACHER

A workman at work with his tools and his wood,
May fashion a chair or a bed,
Or whatever he thought he possibly could,
But still the thing would be dead.

Another might labor with clay withall
Giving shape to beautiful wares,
But the wares may break in a single fall,
Being void of a soul that cares.

But a teacher shapes more enduring things
With the objects at her command,
And her labor lasts and forever brings,
The enduring reward of faithful hands.

For the object of a teacher's care,
Is a life more precious than gems,
Committed for the purpose of a life to share
And finish with diadems.

CLASSES

SENIOR OFFICERS

LOWELL SOLLIS—*President*

Lowell has great ability both as a student and as a leader. He may be small but nevertheless he is greatly looked up to.

FRANCIS ROSSITER—*Vice-President*

Franie is full of fun, very popular and oh! how she can sing. Here's luck to a mighty sweet Senior!

PAUL CREWS—*Secretary-Treasurer*

Paul is a great business man, as shown by his work as business manager of the Senior Play. We hope it continues in future years.

AVIS CROMWELL—*Student Council*

She is one of those few shining examples of the studious student. We wish more would follow her example.

SENIOR CLASS HISTORY

The race was on! In the fall of '27, boisterous cheering was heard within the Roman Pantheon, mingled with the clattering of horses' hoofs upon the dusty course. Two chariots flew over the ground in a stately manner. One, known as the South Chariot, was driven by Robert Redfern, while his youthful steeds were Charles Curran, Margaret Leland, and Avis Cromwell, (Vice-President, Secretary and Student Council Representative, respectively). Miss Heinle kindly aided in keeping them on their course. The North Chariot was driven by Myra Alice Warner, her three steeds being Harold Murphy, Mary Hamilton, and Donald Stephan, with Miss Richardson as their guide. Thus the first lap of the race was covered, everyone within the Chariots having an adventurous time.

When we were ready for the second lap, our charioteers were somewhat weary, so Sara Altekruise took up the reins of the South Chariot, and harnessed her three steeds, Donald Hilliker, Kenneth Abbott, and Donald Worley. Miss Young nobly directed them on their way. Donald Stephen took the reins of the North Chariot, with Allen Taylor, Jessie Weyant, and Mary Hamilton as his steeds. Mrs. Lazier compassed them over the rough places.

Then there was only one Chariot (Our New School). In the fall of '29 we all united into one body of charioteers. The privileged driver of this new and grand chariot was Robert Beech, while his strong steeds were Elsie Neff, Myra Alice Warner, and Sara Altekruise.

The excitement begins! We are nearing the close of the fourth lap, and our driver, Lowell Sollis with his steeds, Frances Rossiter, Paul Crews, and Avis Cromwell, have drawn us over a smooth course.

The Senior play "Icebound" was exceedingly successful, with Mary Hamilton, Jean Murray and Charles Carroll carrying the leading roles.

We, as Seniors, regret that the tape, Graduation, is so near, and when we look back upon our four years of "racing", we will all possess many pleasant memories of school life, of friends, and of teachers. Each year was overflowing with happiness for each one of us.

THE NIGHT BEFORE FINALS

'Twas the night before finals, when all through the house
The students were studying like all get out.
English and Algebra and History, too,
For Biology and Chemistry the leaves just flew,
The Physics books say air weighs fifteen pounds
Geometries tell why a circle is round.
Caesar and Bovée, Latin and French
With all those idioms that don't make sense.
At last with a sigh when morning is near
They are glad that finals come but twice a year.

JUNIOR CLASS HISTORY

In the autumn of 1928 two chariots took the worn track of the Roman Pantheon, while cheers rent the air and pennants floated on the brisk breeze. The chariot of royal purple was the South Chariot, and the charioteer was John Dixon, who, with the aid of Miss Heinle held his fleet-footed steeds, Elizabeth James, Woody Thompson, and Enid Segner, straight and true. The other chariot of gleaming white was the North Chariot, driven by Dale Murphy, drawn by Stanley Biggart, Margaret Rogers, and Helen Deveny, and guided over rough places by Miss Richardson. The occupants of both Chariots at the end of this first lap declared it both profitable and entertaining.

The second lap was begun in '29. At first the chariot was old and worn, but about one-quarter of the distance around the track the occupants were heralded into a new and beautiful chariot, rich in color and design (The New School). The privileged driver of this Chariot was Enid Segner, and her steeds, Helen Finley, Margaret Rogers, and Henry Utley, did much to bring the lap to a swift close.

The end of the third lap is in sight. There is one more to go before the race is done. John Mitchell, the charioteer on this third stretch, has guided his steeds, Lillian Covert, Stanley Biggart, and Evelyn Kreim over the rutted track wisely and well.

The Junior play, "Adam and Eva," gained well-merited success at its presentation on March 20 and 21.

The eager occupants of the Chariot are looking forward to the last lap. There will be time and cause enough for regret after our wheels have crossed the tape—Graduation. In the meantime—on, Juniors!

SOPHOMORE CLASS HISTORY

In September, 1929, the race began. The chariot entered in the race was piloted by Francis Kennedy, the steeds being:

JOHN CRABTREE	<i>Vice-President</i>
PEARL NEFF	<i>Secretary</i>
PAULINE CONRAD	<i>Student Council Representative</i>

The Misses Conley, Heinle, Kinsella, Richardson, and the Messrs. Austin, Lindell, and Weiss helped the ambitious charioteers on their uncertain course. Then they stopped for their masquerade party. Every one enjoyed himself, and being thus refreshed were ready to continue their travel on the road of education. Because the chariot was getting old and was rather crowded, they received a new chariot (The New School) which dazzled them for a while by its magnificent splendor.

The charioteers were rather tired at the beginning of the second lap, so they relinquished their places to fresh men and horses. Robert Eno took the place of the driver and the three eager steeds were:

DONALD LERDALL	<i>Vice-President</i>
HELEN KRUG	<i>Secretary</i>
PAULINE CONRAD	<i>Student Council Representative</i>

Miss Conley, Miss Kinsella, Miss Richardson, Mr. Austin, Mr. Lindell, and Mr. Weiss helped them to pick out the best places of travel. They also gave them a semester party which everyone enjoyed because of the unique program planned by the home room groups.

Thus they are ending the second lap. The chariots are still shining, the steeds are eager and alert, they are gaining! On Sophomores! Hurrah!

VIRGINIA KLINE—*Student Council*

FRESHMAN CLASS HISTORY

A body of about two-hundred charioteers began the first lap of the race within the Roman Pantheon in the fall of '30, amid much joyful shouting and laughter. The driver of this great chariot was Earl Nolan, while his trusty steeds were:

VERNON SWAN	<i>Vice-President</i>
GEORGE CARLSON	<i>Secretary-Treasurer</i>
VIRGINIA KLEIN	<i>Student Council</i>

The chariot was kept to its course by the ever-watchful gods and goddesses (Freshman Home-Room Teachers).

The chariot swiftly covered the first part of the dusty course, stopping off for the very successful Freshman party; then onward again, safely around the turn of the spina (Mid-Year Examinations).

Having successfully passed the turn, our sturdy driver spurred his steeds and charioteers to renewed energy as we neared the smooth stretch which indicated that the end of the first of the four laps was nearly reached.

We hope that the second lap of our race towards Graduation will be as happy and successful as the first.

THE STUDENT COUNCIL

The Student Council consists of the President and one representing member elected from each of the four classes. The Student Council is elected to represent the classes in various school problems and to take up important matters, and decide, to the best of their ability for the benefit and good of the school. The main object is to develop school spirit and closer cooperation with the teachers.

COMMERCIAL CLUB

The Commercial Club holds its meetings monthly. These gatherings are evening affairs, eagerly looked forward to by the members. A speaker is always found available for the evening, who speaks along the line of commercial business. A program always follows the speaker and after all the business dealings are over, refreshments are served.

The Commercial Club is the best money making organization in the school. They sponsored, in the fall, a drive for magazine subscriptions, bringing in large returns. They have also issued several numbers of the "Purple and White Banner" and have sold candy at the games.

Miss Kling and Miss Kinsella work with the club and are the foundation of the club's wide success.

FUTURE FARMERS OF AMERICA

Dixon is one among the 220 local chapters in Illinois. The total membership in Illinois is over 6,000 high school agriculture students, who form a club under the name of "Future Farmers of America." Four degrees are available to members of this club: First, the Green-Hand degree, which consists of the new members who prove themselves worthy of carrying on the agricultural work of the club; Second, the Future Farmers degree including the second year students; Third, the State Farmers degree, at present there are only 27 members of the 6,000 who have attained this honor. Our school feels proud in saying that of the 27, there are 3 from Dixon High School, Arthur Schick, Robert Sheaffer, and Lloyd Breisch. Lloyd being honored by election to the Vice-Presidency of the State association; Fourth, the American Farmers degree which is the highest degree any boy in America may obtain.

This Championship team was composed of a "Dairy Team," a "Fatstock Team," a "Grain Team," a "Poultry Team," and a "Corn Team." In this contest held at Champaign, they placed as follows:

Dairy Team	1st

The total points won by these teams placed them first as State Champions. As a result of winning the State honors, the Dairy team was chosen to go to the National Contest at St. Louis, on October 11th to represent Illinois. Among the thirty-three State Championship teams, Dixon placed sixth. As the result of hard honest effort, Arthur Schick, by having the highest individual score, proved himself the best High School judge of Jersey cattle in the United States. In the judging of Holsteins, Robert Schaeffer proved his ability by placing seventh.

THE PUBLIC SPEAKING CLUB

The past year has seen the organization of the first successful Public Speaking Club in Dixon High School. The club, under the supervision of Mr. Selander, has accomplished a great deal in the way of forensic activities. The object of the club is to foster and promote public speaking and debating. The meetings are held on Wednesday of each week. The club is modelled on the Senate of the United States and business is carried on in accordance with the rules governing the same.

The Girls' Hi-Tri Association was first organized in the Dixon High School last spring under the able guidance of Mrs. White.

Every girl in High School is entitled to participate in the activities of this society. The activities become more varied and occupy more time each year, until, in the Senior year, meetings are held entirely outside school hours; and the girls are privileged now to wear as a badge of allegiance to Hi-Tri, a gold pin and guard. The five-rungs of the ladder engraved thereon signify the five aims of every Hi-Tri girl.

A "scramble" was held on alternate Wednesdays and these "get-togethers" were alternately noon and evening meetings. As a rule, there was a speaker and several very interesting and helpful talks were given. In the evening, following the business meeting, the gym is thrown open for dancing or games.

The Seniors of '31 hope that the Seniors of '32 will make as much of, and gain as much from, association with Hi-Tri as they have.

THE SENIOR BOYS' HONOR CLUB

The Senior Boys' Honor Club was organized at the beginning of the last semester of this year. The purpose of the club is to encourage a high moral standing, a higher education, scholarship, extra-curricular activities, and to help the student choose a vocation. To enter the club the Senior must have a certain number of points under a system of points that the club adopted. Points are given for high percentage in grades, participating in athletics, being member of various school clubs, and for letters earned in different activities.

The club was made possible largely through the efforts and advice of the teachers in the Boys' Senior home room groups, Mr. Selander and Mr. Bowers.

The club officers are:

DONALD HILLIKER	<i>President</i>
CARL PLOWMAN	<i>Vice-President</i>
LOWELL SOLLIS	<i>Secretary-Treasurer</i>

LATIN CLUB

(VADE-MECUM)

The Latin Club meets one Friday evening each month in the Public Speaking room. Its aims are to acquaint the Latin students with a more advanced and interesting side of this subject, by discussing Roman History, government, and the customs and habits of the Roman people. Under the Advisership of Mrs. Lazier and Miss Conley the club is another one of the many in the school that is helping the students to be better Latin students outside of the classrooms.

The officers for the year are:

LESTER PITCHER	First Counsul
HELEN KRUG	Second Counsul
HOWARD BROWN	Questor
JOE BEECH	Aedile

FRENCH CLUB

"Le Circle Francois" was organized this year by the students of the French II class, with Miss Conley and Mrs. Lazier as advisers. Meetings are held once a month in the French room.

At the first meeting officers were elected as follows:

SALLY ALTEKRUSE	<i>President</i>
ESTHER WINDERS	<i>Vice-President</i>
THELMA SALISBURY	<i>Secretary-Treasurer</i>

Each member answered roll call with a French charade. A report on "A Shopping Trip in Paris" was given in French by Marianne Myers. French games were played and refreshments of French chocolate and French pastry were served. The purpose of this club is to promote the use of the French Language, to develop interest in, and to obtain a new view of France and her people.

MATHEMATICS CLUB

The High School Mathematics Club has been organized under the guidance of our mathematic teachers Miss Burnham and Miss Newman.

The meetings are held the second Wednesday of the month in the music room. A Constitution was unanimously accepted at the first meeting. The purpose is to encourage the members to acknowledge the value of mathematics and to promote a more general interest along this line.

They have sponsored candy sales at several of the basketball games and have held a sandwich sale after school, which has helped the financial standing of the organization.

The officers of the club are:

LOWELL SOLLIS	President
GLENN ROSBROOK	Vice-President
MARVEL SCHOENHOLZ	Secretary-Treasurer

HOME ECONOMICS CLUB

The object of the Home Economics Club is to take over the study of the lives of women who have helped in the progress of Home Economics. Through this study the girls are greatly benefited and are broadening their minds in dealings of Home Management.

Miss White and Miss Cotta, the instructors of the club, are well versed in knowledge along this line and are very popular among the girls. The Club continues to grow larger each year, this year's enrollment being the largest in its history.

At the first meeting of the year, which was held in November, the following officers were elected:

MILLIE ORTGIESEN	President
GILDA BEVILACQUA	Vice-President
JOSEPHINE BEVILACQUA	Secretary
GLADYS ORTGIESEN	Treasurer

SOPHOMORE LITERARY SOCIETY

The meetings of the Sophomore Literary Society are held once a month. At each meeting along with the business transactions, there are various types of programs given, including short stories, instrumental or vocal solos, and speeches which are of special interest to this group of students.

The purpose of the society is to make the Sophomore feel more at home in front of a group of people and to feel confident of himself when called upon to address an assembly of people.

At the beginning of the school term the society elected its officers to serve for the entire year. The following were chosen.

ELIZABETH FORD	<i>President</i>
ROBERT ENO	<i>Vice-President</i>
PEARL NEFF	<i>Secretary-Treasurer</i>

DRAMATICS AND MUSIC

GIRLS' GLEE CLUB

During the school year of '30-'31 the Glee Club has met regularly twice a week, Mondays and Thursdays being the days.

The Glee Club consists of more than eighty girls, who are interested in music, and a most capable director, Miss Lawson.

At Christmas time the Glee Clubs, both boys and girls sang for General Assembly, and the P. T. A. was entertained by the Girls' Glee Club also. They gave their annual operetta entitled "Bitter Sweet Anne," which was very successful. They are also scheduled to sing at a district teachers' meeting to be held in Dixon.

It is hoped that during the next year as much will be accomplished as has been this year and that the interest will continue to grow in this school activity.

THE BOYS' GLEE CLUB

This year the Boys' Glee Club is composed of about fifty members who meet at 8:10 twice a week for practice. Due to the large number Miss Lawson, the director, found it necessary to divide it into two groups. The accompanists are William Smith and Wilson Ortgiesen.

They have made several creditable appearances before the assembly and also at the Methodist Church.

The Boys' Glee Club together with the Girls' Glee Club successfully presented the Operetta "Bitter Sweet Anne" at the South Side School on February thirteenth and fourteenth.

Additions have been added to the club in such large numbers that in the future, another means will have to be found for taking care of its members.

Promising voices and talent come from the Juniors and lower classmen, and it is predicted that next year's club will equal this.

DRAMATIC CLUB

As usual, try-outs were necessary for entrance to this club. Several judges were allowed to hear these and then voted on the individuals to see if they might be permitted to enter the club. The members were then divided into six groups, with a director at the head of each. These groups took turns in presenting plays at the meetings, two plays being limited to each meeting.

The meetings are held once a month in the public speaking room. The membership is extended to Juniors and Seniors only. The purpose of the club is to train the members to be able to act, without feeling conscious that an audience is present.

At a special called meeting the officers were elected. They are:

ROBERT KENNEDY	President
LESTER PITCHER	Vice-President
MYRA ALICE WARNER	Secretary-Treasurer
B. J. FRAZER	General Director

ORCHESTRA

The Orchestra this year has progressed very well, under the direction of Orville Westgore, whose extensive knowledge as director and sincere cooperation with the members have made the orchestra what it is.

They meet every Wednesday morning in the music room where they practice. They have played for the Junior and Senior plays and also for general assemblies and for one of the school parties this year.

The Orchestra has a great promise for next year, as many of the members are Juniors or lower class-men.

SENIOR CLASS PLAY

The Senior Class cleverly presented a play entitled "Icebound" on Friday and Saturday evenings, December 20-21. "Icebound" is a comedy in three acts by Owen Davis. An entirely new idea was tried for the feminine roles in the cast, a different individual playing each night. The name of the person who appears directly opposite the character played Friday evening; the following person played on Saturday evening.

ACT I—The Jordan parlor late one bleak November afternoon. The mother of the family lies upstairs near death, while in the parlor (the stage) the Jordan children are irritably awaiting the end. A nice group of children?

ACT III—It has become more than Jane can stand and derive even a crumb of satisfaction, so she longs to turn it all back to the family. But even in the solution of this problem the dominating spirit of the old mother makes itself felt.

JUNIOR CLASS PLAY

The Junior Class of 1930 presented their play May 10 and 11, in a little different form than the classes usually have. Three one-act plays were given instead of the usual one, three-act play.

ATHLETICS

ARTHUR C. BOWERS

"A. C." or Alternating Current Bowers is a dynamo of energy. He is a man among men and a friend to to all. Mr. Bowers is the backbone of the Dixon High School Athletic Association, and is also Athletic Director.

Mr. Bowers is the man on whom we can all depend. He is active along all lines of athletics, even on Nut League, and always has a Scotch joke ready, although at one of our "Pep" meetings he turned to "Swede" stories.

Those who have known Mr. Bowers, whether it be on an athletic field, or in a class room, can never forget his friendliness to all.

L. E. SHARPE

Mr. Sharpe is our basketball coach and assistant football coach. Mr. Sharpe is a friend to all and has the respect of all the student body. His teams have shown his skill and ability, but we did not get the "breaks". Mr. Sharpe has worked with his teams and built one of the finest "defense" squads in the conference. In his talks at our General Assemblies he carefully shows us how our teams are fit and how our opponents are prepared.

Mr. Sharpe, who has charge of the Lightweight Football Squad, coached them to a Championship.

C. B. LINDELL

Coach Lindell set out to make old D. H. S. stand out as a leader in the game of football and he did it. The boys who worked under his supervision have found out that the backbone of a team is the coach. He took our men, and trained them into one of the finest pieces of football machinery in our conference. With Mr. Lindell's spirit and the love of D. H. S. the boys fought hard for victory.

With an inspiring talk at all of our "Pep" meetings, Mr. Lindell found the confidence of our student body.

FOOTBALL

The first game of the season was played in Amboy. Amboy put up stiff opposition, but we came through with a victory. Wolford pounded through the line many times for great gains. Rosbrook as center snapped the ball into quick action while Plowman tore around end. It was a game fight but our heavy pounding brought us through with a score of 6 to 0. Our next opposition was Rock Falls. Much more opposition was expected from Rock Falls than was given. Our line was like a stone wall moving in perfect formation. McReynolds broke through several times for many long gains. Hunsberger tried hard to break our defense but it held. When we drove Rock Falls down the field, we were gaining our yardage and touchdown. We came home with a score of 26 to 0. A 13 to 0 victory over our ancient but honorable Sterling, gave us hope and assurance. Sterling was not easy as they fought to a finish. Our team was in perfect condition and the help of Plowman as captain brought us another victory. We tried line plunges, passes and end runs to bring us the winning score. Belvidere was big beef and carried plenty of tonnage, but Dixon was fast. There were a few casualties on our team but we came through by whitewashing Belvidere 26 to 0. Our next contest was with Savanna. We were ready with Wolf and Lerdall in as substitutes who played fine games. We ran McReynolds and Plowman around ends, and Wolford through their weakening wall. Many long and complete passes brought us rewards in the form of touchdowns. Their line was pitifully weak and their backfield was hampered because of it. When the whistle blew Dixon cheered its men as they marched off the field with 33 to 0 in their favor.

In meeting with DeKalb Dixon suffered her first defeat. Because many of our first string men were out on account of injuries and the substitutes could not take their place we were held. But our boys never fought a harder game, nor was there a time when we flinched. DeKalb's team worked perfectly and their long passes gave them the game 13 to 0. With our cripples back and our chances ahead we fought with Rochelle a bitter battle. Our wonderfully disciplined line held and gave our backfield full interference until Rochelle moved back and back until we had slipped four touchdowns behind their goal. Dixon came home with a 26 to 6 victory in their favor. And the old Purple and White flying high.

GEORGE WOLFORD
Captain

George certainly was a big factor in the success of the team this year. When in action he made a tornado look sick. George was given honorable mention by Rocky Wolfe in his selection of the All State Team. He was elected Honorary Captain by the fellows at the Football Banquet.

JIMMY WOLF
Captain-Elect

When it came to hard fighting and determination we could always rely on Jimmy. He took the game seriously and with that "never give up spirit" that makes a good player. He fought hard and never weakened no matter how tough the battle was. Jimmy is only a Junior and we expect a good deal of him next year as Captain.

JOHN BOVEY

John is a big man and a mighty Senior. He has played football for four years. John has played various positions during his career and has played them all well. Because of his good judgment and skill at the game he was one of our most trusted players. John will be greatly missed and we all feel that he has given to his school, his very best.

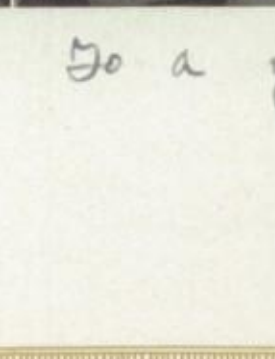

RAYMOND CAREY

Carey went out for football his Senior year and made a great success. He always was ready to try hard and make good, for he had a purpose in mind. Carey fears neither man nor beast, and it was shown in his ability to block and hold. When he doesn't know whether to fight or not, he fights.

JOHN CRABTREE

John is one of our fighting Sophomores. Crabtree has played guard for his second year. He has the weight and ability, which will make him a great football player. He always held his position and it was a rare occasion if any man got through his end of the line.

GERALD BATES

Bates is a young and husky Sophomore. He was a loyal and willing player. When he played in a game, he played with vim and determination that made him a real player. With his bulk and will power he will be one of our shining stars in the future.

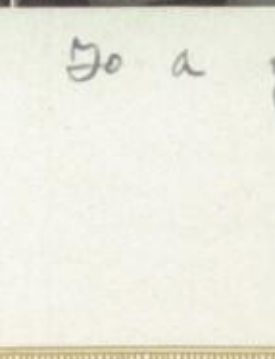

WILLIAM BUCHANAN

Billy is a fine player. He has not the advantage of weight, but his height and tremendous strides brought home our yardage. We are sorry to see Billy go as he is a Senior, and his loyalty and ever-ready skill will be missed.

HOMER COLLINS

Collins loves and actually eats football. He has played on both the A and B teams and in different positions. Collins believes the earth is like a football field, a poor place to sleep on, a good thing to travel over. His ability to smash the other lines gave him the name of "Bonecrusher" among the fellows.

So a good fellow

RAYMOND DANIELS

Ray could always be depended upon for his ability to back up the line. He was the outstanding fullback in the conference. His ability and speed in carrying the ball were to be relied upon.

ROBERT KENNEDY

Bob had a thorough understanding of the game, and keenly enjoyed the sport. He was always faithful at practice, and by strong perseverance won his letter.

DONALD LERDALL

Lerdall was one of the outstanding men in the line. His ability to block and tackle gave him a position on the all conference team. His weight was a big advantage in holding the opponents line. He has two more years to fight for the honor of Dixon High.

ELWOOD McREYNOLDS

Elwood is one of the most outstanding men on the team. He played the position of halfback. His ability to side step, and his shiftiness, his quickness and speed brought the credit of several touchdowns.

PAUL POTTS

Paul comes from Amboy. Paul played end and was always ready to fight. He was a lineman of distinction, playing his position well, with the determination to win. Potts is another Sophomore who has two more years to play for Dixon High.

CARL PLOWMAN

We expected much of Carl, and he proved his worth. He has played four years at different positions. This year he played an outstanding season as quarterback. His ability to squeeze thru tight places brought him many touchdowns. He was also a man of quick thinking and sound judgment.

GLENN ROSBROOK

A center's job is a tough one, but Rosy never flinched. He fought to the finish in every game. He was given the position of center on the conference team. Rosy has played four years and regrets that he must leave his Alma Mater.

CURTIS STRONG

"Money" played a snappy game at end. His ability to snare long hard passes was a great asset. When we were in a tight place, "Money" would always be where he was expected to be and help us out.

Remember those English lessons from 1933!

THE SQUAD

THE 'B' TEAM FOOTBALL

When the roll was called between eighty-five and ninety boys turned out for football. All with one object in mind to make the first team. But because of lack of weight or height our "B" team did not make the goal. But even this did not hamper them as they played a wonderful game of football. They went into each and every game with the determination to win. The boys had what was known as a "B" Conference within our regular Conference. Each and every game was a battle of wits and brawn. Dixon went through the season without a defeat thus winning the North Central Illinois Conference "B" Cup.

This year a different captain was selected by the coaches for each game. Mitchell because of his ability as quarterback, and thorough knowledge of the game, was rewarded by being captain in a number of games. The fellows that played on the championship team of the Conference are as follows: John Mitchell, Merwin Gale, Lyle Fordham, Albert Carlson, David Talty, Robert Gehant, Francis Kennedy, Nelson Lambert, Tryon Rosebrook, Robert Beech, Donald Hilliker, Leland Ogan, Paul Crews, Edward Trotter, Donald Swegle, James Kline, and Leslie Brown.

BASKETBALL

The first game of the season was a charity game with Amboy at Dixon, the funds of which went to the Goodfellows work in Dixon. Dixon was trim and ready to fight the season. Dixon completely outplayed Amboy in both halves and came out a victor by beating Amboy 20 to 7.

Dixon motored to Rock Falls for the next basketball game of the year. The first game was played by our scrappy lightweights who came home with a victory of 10 to 8. The heavyweight game was one of the tightest ever waged in high school basketball. It was give and take with Dixon always one point ahead and victory of 8 to 7.

Again Dixon was challenged by Amboy, only to taste defeat—the tables had turned. The lights suffered defeat after a hard fought battle losing 13 to 4. With two victories and as yet undefeated Dixon fought hard for victory, but lost by one point 9 to 8.

Dixon met its ancient but honorable enemy in the first conference game of the season. The lights were beaten by the close score of 11 to 7. When the Dixon heavies met Sterling it was a fight to the finish. But Sterling was fortunate enough to sink the last basket and won by 2 points 11 to 9.

Dixon fought and struggled in one of the toughest games of the season at Belvidere. The heavies were beaten by eight points with the score ending 17 to 9. The lights also suffered a defeat of 10 to 8.

In our first clash with Rochelle the lights were not a match for Rochelle but fought hard to the finish losing by a score of 11 to 4. The heavies fought but were overpowered by a score of 19 to 6.

The lightweights met DeKalb's offense blow for blow but a few points were gained and the lights suffered a defeat of 14 to 11. The quick, fast work of DeKalb's heavies prevented our offense from making any gain so we lost a hard fought game 27 to 10.

On our next meeting with Sterling we were again defeated. The lightweights lost by a score of 23 to 4. The heavies put up a grim battle but lost 27 to 12.

The D. H. S. lights pounced on the defense of Savanna and cut loose for a hard fought game with victory as a reward 15 to 13. But the heavies were not so fortunate. They fought hard and their defense was strong but two points made Savanna the victor 22 to 20.

Dixon's heavies fought and struggled again for victory. But our offense could not break through to gain and Belvidere won 16 to 8. The lights too were unfortunate and lost 9 to 11.

Dixon lost a hard fought game with Rochelle of 16 to 8. The lights showed some good team work but were defeated 18 to 8.

In the last game of the season Dixon fought nobly in a last effort to win. DeKalb repeatedly broke through our defense for points. Dixon's offense struggled in vain to break through for a basket but failed and lost 28 to 15. The lights were quick but DeKalb was quicker. Our offense was not beaten but fought until the gun cracked victory for DeKalb 24 to 13.

LOWELL SOLLIS

Sollis was one of the most liked managers Dixon ever had. He was always cheerful and friendly giving the boys the best of care. He liked the game and took an extreme delight in his work. Lowell is one of the Seniors we will miss.

THOMAS HASSELBERG
Captain

Slat is a long man and not many could out jump him at center. Slat loves basketball and showed his ability on the floor. He often played back to guard where he fought off many hard attacks. He has played his last games for D. H. S. this year.

ALBERT CARLSON

Carlson was one of the best dribblers. He was always ready to fight for his share of the points. Carlson played many long drawn out battles, but his fight and determination always won out.

EUGENE LEBRE

Gene played a very good game at forward for Dixon this year. His uncanny skill at sinking baskets was depended upon for raising our scores. He always put up a scrappy fight and carried it out through the game.

ALBERT PETIT

Petit was well liked and will always be remembered as a fine fellow. His interest in his work made him respected by the teams. He was always ready to aid and look after our men. He was also a fine basketball manager giving the team his loyal support.

KENNETH ABBOT

Abbot is another of our long men. Abbot has played basketball for four years, and is a snappy player. His shots were long and accurate. Abbot always tried hard and fought long, his loyalty also goes this year.

DON HILLIKER

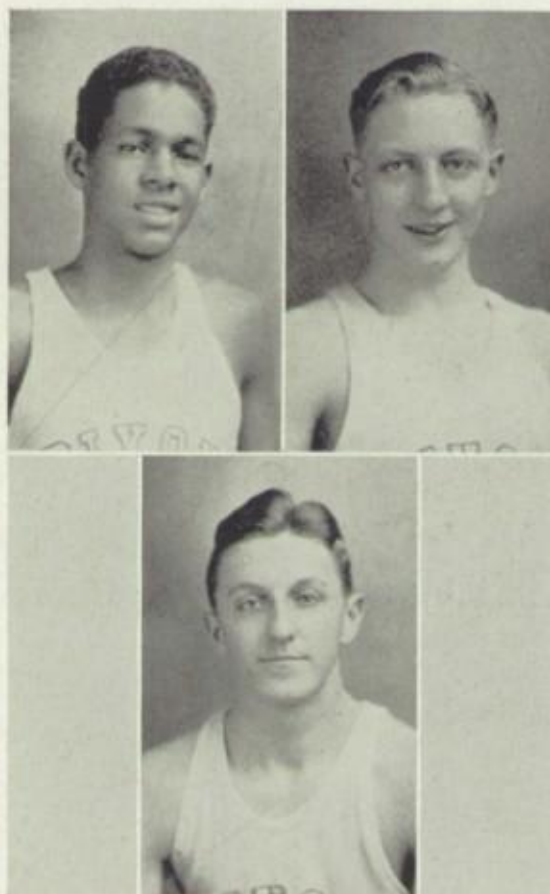

Don is a little man, but blows cannot keep him down. He played forward, and his ability to sneak in a basket now and then was always to be relied upon. Don is another man to leave.

CARL PLOWMAN

Carl played guard during the entire season. Carl was feared by our opponents because of his ability to spin a fast ball to our forwards for a basket. Carl never liked defeat as the taste was bitter, and he always fought hard to keep the glory of D. H. S. where it belonged.

CURTIS STRONG

"Money" played a fine game as guard, as this was his first year. His long arms snapped out many passes. His ability to dribble and dodge was the biggest reason for his participating in many hard games.

JAMES WOLFE

Wolfe is a Junior, and played guard. He was always ready for a good fight. He successfully stopped many baskets. We will expect much from Jimmy next year.

DON WORLEY

Don played forward with noticeable ability. His games were always fought with skill. Don is a Senior and has played two good years for Dixon in basketball. He has made himself outstanding in his ability to sink baskets and to pass quickly.

THE 'B' BASKETBALL TEAM

Our B Basketball team did not come thru with a great many games in their favor, but they did their best for the honor and glory of old D. H. S. Our men were mostly small fellows and met with heavier opponents. But these odds did not dampen their hopes, as hope always gave something to strive for. They fought every minute of their games and never quit.

If they go through the rest of their high school days with the same qualities, we can see a fine team in the future. The following won letters: Henry, Lester Pitcher, Bales, Mitchell, F. Kennedy, Brown, Fordham, Bush.

INTRAMURAL BASKETBALL

This year Mr. Bowers organized intramural basketball teams for boys. Because of the large number it was necessary to divide them into many teams. These groups were called the "Nut League" named after the various nuts, the Butternuts, Peanuts, Hickory nuts, Cocoanuts, Walnuts, Hazelnuts, Doughnuts, and Chestnuts. These games were played in two rounds of seven each. The Peanuts with Robert Beech as captain won the first round and the Butternuts, with Red Flannigan as captain won the second round.

THE SQUAD

BASKETBALL TOURNAMENT

The District Tournament was held at Dixon for the second consecutive year. The crowds were exceedingly large but were handled very nicely in our large gym. Sterling won the tournament and the right to go to the Sectional Tournament at Moline. Tampico won the Sportsmanship Cup given by the Dixon Telegraph for displaying the best sportsman-like conduct in their game. The results of the games are as follows.

TRACK

The first dual meet of the season was held with DeKalb. Dixon was ready for the contest and took first and second places in many of the events. Dixon came home with a 70 to 52 victory over DeKalb.

Our next dual meet was held on our own track with Oregon. Dixon put up a good stiff opposition and took the dashes, hurdles, pole, and high jump. When the meet closed, Dixon was 76 and Oregon 46.

The next meet again brought Dixon and Sterling together. Sterling was our first stiff opposition. Although we took first and second places in many events, we were defeated by a close score. Sterling 67 2-5 points, Dixon 49 3-5 points.

In the conference meet which was held in Dixon we struggled very hard to take first place, but was defeated by a few points, giving us second place. We won the hurdles, pole vault and 100 yard dash.

We were fortunate to have the District meet held in Dixon. Dixon entered most of the events but did not gain enough points to secure a place in the meet, our men tried hard and we considered we had a successful season.

RECORD OF SEASON

THE SQUAD

TRACK LETTERMEN

CARL PLOWMAN—*Captain*

Carl was an able captain and a ready athlete. Carl won for himself and D. H. S. many honors in the high and low hurdles. Carl was a member of our relay team which won first place in most of our track meets. Carl has made a lasting impression on the memory of all who know him, and will not be forgotten.

GEORGE WOLFORD

George was a sprinter of great ability. He is very fast, breaking the tape in many events. He was also an able shot putter, hurling the sphere past all of his opponents. He is a man of fine character, and he leaves with regret the school for whose honor he has striven.

ROY FLANINGAM

Roy was out to win in the hurdle events. He was fast and cleared the hurdles with great ease. He made a fine showing in both the district and conference meet.

GEORGE WIENMAN

The greatest thing we can say about George is that he always did his best. When running the mile he always finished with a ready smile. He is a Senior, and this is what we all regret. His memory will go flashing by in our endless line of passing athletes.

WILSON COVERT

Wilson was a swift sure runner, taking the greatest honors in the half mile event. He was always ready, always cheerful, and always sure of himself. He owed all of his success on the team, to being always a quarter of a lap ahead.

EUGENE LEBRE

Lebre could always be relied upon to do his best in the 220 yard dash. He was quick on the start, had a keen stride and an easy finish. We will miss this speedy Senior, but wish him success.

GEORGE BRUNETTE

When that long bamboo pole hit the pit, and it reared high into the air, George was on the end of it and was over the bar for another honor. He was hard to beat and always fought to the finish.

LELAND OGAN

Ogan won his letter by hard, patient work. He showed himself a man of ability in the javelin throw. He has also won distinction with the discus. He is a hard fighting fellow and does not like defeat and tries hard to overcome it. We expect a lot from him in the future and hope he will succeed.

CURTIS STRONG

Money proved his worth in the high jump. He was no record breaker but a hard trying, well balanced athlete who could always be relied upon to bring home many points. Money is a fellow who tries hard and usually succeeds.

JOHN CAREY, Manager

It is a rare occasion when we find so able a freshman. He had the ability and skill necessary for the position. He was well liked by the boys as they felt he was one of the best managers we have had.

RAYMOND DANIELS

Ray promised little but did much. With this in mind he set forth to do his best, and succeeded. He has fine form in both javelin and discus throwing. As he is a Junior we will expect a great deal from him next season.

ELWOOD SHULTZ

Elwood is a very fine athlete. He won for himself and Dixon many honors in the shotput and discus. He was to himself and to everyone, true and loyal to all good principles.

KENNETH ABBOTT

Abbott is a tall and fine athlete. He majored in the high jump. He cleared the bar with great skill and poise. Abbott won great distinction as a dashman, and carried home many honors. He is also one we will miss in our line of passing Seniors.

GYM CLASS

The girls' gym class meets every Tuesday and Friday after school. The girls are very active in their regular class work, and eagerly respond to volleyball, basketball, baseball, and track. This group of about seventy members was divided and numbered to form the regular class teams for basketball. The Juniors won this inter-class meet, with no cause for dispute, as they skillfully defeated the other teams.

The classes have grown so large each year, that this year the question of having gym during regular class periods was emphatically debated. It was decided, however, to continue it as an after school activity, but it is thought that if the number increases next year the other plan will have to be adopted.

Miss Peterson is the able director of the girls.

GIRLS' ATHLETIC ASSOCIATION

OFFICERS

ELSIE NEFF *President*

LA VERNE ATKINSON *Vice-President*

LOIS STACY *Secretary-Treasurer*

This year, 1930-1931, the first Girls' Athletic Association in the history of Dixon High School was organized. All girls in the high school are eligible. The purpose of the association is to arouse greater interest in sports among the girls.

Points are given both for the length of time spent on certain sports and for keeping health rules. There are weekly charts by which the points are kept: 600 points being the first local award, 1,200 points the second local award, 1,600 points first state award and 2,000 points second state award.

Regular meetings are held in the gym every other Wednesday during home room period. Most of the time this year has been spent in organizing the club. We hope that this new organization will continue successfully in years to come.

JUNIOR-SENIOR BANQUET

The annual Junior-Senior Banquet was held June 5, 1930 at the Masonic Temple. The large hall was attractively decorated in our school colors, the tables carrying out the purple and white color scheme. After a delicious dinner had been served the following program with the theme "Westward Ho" was given.

The End of the Trail	Class of 1930

The remainder of the happy evening was spent in dancing.

JUNIOR-SENIOR PARTY

The Junior-Senior Party was held October 16, 1930 in the High School gymnasium. The "gym" was attractively decorated in orange and black, carrying out the Halloween motif. A number of unusual stunts added to the evening's fun. Tom Mosher and Paul Grimes put on a clever colored act and Millie and Gladys Ortgieson did a similar act. Five Senior girls gave a college song and dance act which was much enjoyed. Peppy dance music was furnished by Curt Rice's orchestra. In the intermission refreshments were served, then dancing was resumed until eleven o'clock, which came all too soon, ending another enjoyable High School Party.

SOPHOMORE PARTY

On November 8, the Sophomores held their first party in the gymnasium and it proved to be a most successful affair. The greater part of the evening was spent in dancing for which music was furnished by the "Vagabonds," an orchestra composed of students in the High School. The whole gym was cleverly decorated with the ever popular purple and white.

Between several of the dances different stunts were given by each of the Sophomore home rooms. Miss Conley's group gave a stunt in which they interpreted a modern school in song and dance numbers. Miss Kinsella's group also gave a song and dance version of a popular tune. Three girls from Miss Richardson's group cleverly impersonated Clara-Lou-'n-Em. Harry Mosher of Mr. Lindell's group gave two tap dances which met with much applause from the spectators. The last stunt given by Mr. Weiss' group, easily captured the prize, it being a shadow picture of an operation. Following this were refreshments and more dancing. At eleven o'clock, the dead line for all high school functions, the party broke up.

FOOTBALL BANQUET

The annual Football Banquet was held at the Methodist Church on the evening of December 6, 1930. After an appetizing supper the following program was given:

Timekeeper	Lowell Sollis
Third Quarter	Mary Hamilton
Fourth Quarter	Carl Plowman
Time Out	{ Boys' Double Quartette Junior Girls' Sextette
Address	Mr. F. W. Phillips, Illinois College
Referee	Coach C. B. Lindell
Umpire	Coach L. E. Sharpe

Our Athletic Director Mr. Bowers presented sixteen Heavyweight and eighteen Lightweight letters thus closing a most successful season. By the election of an honorary captain for 1930, George Wolford, the boys showed their appreciation of his splendid work during the season. James Wolf was elected captain for the coming year, and although a few of our valuable players will be lost through graduation our captain-elect can expect excellent support next season. In behalf of the football team John Bovey presented Mr. Lindell and Mr. Sharpe with tokens of appreciation for their wonderful coaching during the past season.

After the program a dance was held at the High School gymnasium.

FRESHMAN PARTY

On the evening of November 14, the class of '34 held their first High School party in the gymnasium. Games were played during the first hour; Vivian Coakley winning in the girls' suitcase race, and Robert Durham in the boys'. Dancing was enjoyed for the rest of the evening, and during the intermission ice cream was served. At eleven o'clock about 160 tired but happy Freshies left for their homes, wearing their purple and white paper hats, and blowing their squawker balloons. The first party for this Freshman class was a great success and they look forward to many more such parties in the future.

GENERAL ASSEMBLIES

The general assemblies were unusually delightful and interesting this year. In September Mr. Hart of Byrd's expedition spoke about his early life in Australia and New Zealand, and his adventures with Byrd on the Polar expedition to "Little America".

We had four representatives from Middle Western colleges and universities as speakers. Mr. Robert Burlingame of Grinnell college, Mr. Ken Rouse of Chicago University, Mr. Whipple of Northwestern University, and Mr. O. N. De Weerd of Beloit College spoke to us. After hearing such inspiring talks, we all became more interested in colleges than ever.

Mr. Martindale, on leave of absence from his duties as a ranger in Yellowstone National Park, gave a very interesting talk on the wild life that roams unhampered over that beauty spot. His talk was all the more interesting because he told of many personal experiences which were sometimes adventurous and sometimes humorous.

Before Christmas vacation the Glee Club sang Xmas Carols in the last general assembly of 1930.

On Lincoln's birthday we had a general assembly and Dr. Timothy Stone of Chicago told us of the Great Emancipator and some new portrayals and episodes in his life. Mr. Stone is well known for his lectures and it was an honor to have heard him on that occasion.

Armistice Day we had the pleasure of hearing Rev. Campbell of Rochelle tell of his friend Sergeant York, the famous World War hero. At this fitting time our flag pole was dedicated by the American Legion Auxiliary.

The Mt. Morris Glee Club presented us with a group of songs. The Civic Music representatives of the Dixon branch furnished us with a delightful entertainment. At one of our later general assemblies we had the privilege of hearing Mr. Ernest Nickels, the celebrated whistler. The Eureka College Glee Club gave a program in the latter part of April, and in May, Mr. Grimes and his musical family provided another unusual program.

We must not forget our football and basketball pep meetings which went off with a bang and which proved to be the snappiest we have ever had.

We extend to the faculty our thanks for the splendid programs which have been brought to us through their unfailing interest.

“DIXON, OUT IN ILLINOIS”

BY ANNA MARIE HOBERG

This is part of the poem that won a \$100 prize in a contest sponsored by a former Dixon man open to any boy or girl going to school.

I was brought up out in Dixon,
Dixon out in Illinois;
And to claim it as my birthplace
Has been my pride and joy.

There I played my tricks and capered,
When a youngster full of vim
And I had as close companions;
Lively Jack and Smiling Jim.

But those care free years fled swiftly
And I soon longed to be
In a great and busy city
With no ruling power o'er me.

And I set out quite determined
To make myself succeed,
For if you reap a harvest;
You first must sow the seed.

I now can say quite frankly
I have been a prosperous boy,
As have many boys from Dixon
Dixon out in Illinois.

Yes, since then I've traveled greatly,
Traveled many lands and climes,
But I still say, dear, old Dixon
Ranks with any, at all times.

For in scattering nature's treasures;
God to her has been most kind,
And more gorgeous scenic beauty
I'm sure is hard to find.

Flowing through our little city,
Never taking time to rest;
Is the beautiful Rock River
Called the "Hudson of the West".

As along its banks we wander
We behold, in splendor, grand
Parks alive with natural beauty,
Work of God's all ruling hand.

Not alone of Dixon's beauty
May we boast with honest pride,
Also her historic standing,
Which has taken quite a stride.

For 'twas here that Abraham Lincoln
And Jefferson Davis too,
Battled with the Red Men
'Way back in '32.

For there never was nor will be;
Idolized by tongue and art
One to equal Abraham Lincoln
Hero of our nation's heart.

On the site of old Fort Dixon
A statue has been raised,
To do honor to his memory;
He, who ever shall be praised.

Just a block or so beyond this,
Here again we are impressed.
By the well known Lincoln Highway;
Stretching out from east to west.

Recently a great centennial,
In which every one took pride
Was held in dear, old Dixon,
With good will as its guide.

At this time was dedicated,
With much pomp and glee,
The airport, the bridge and statue
Of Lincoln, when twenty-three.

The Peoria Avenue Bridge is a beauty,
A lasting tribute it stands
In memory of those who perished,
While fighting in foreign lands.

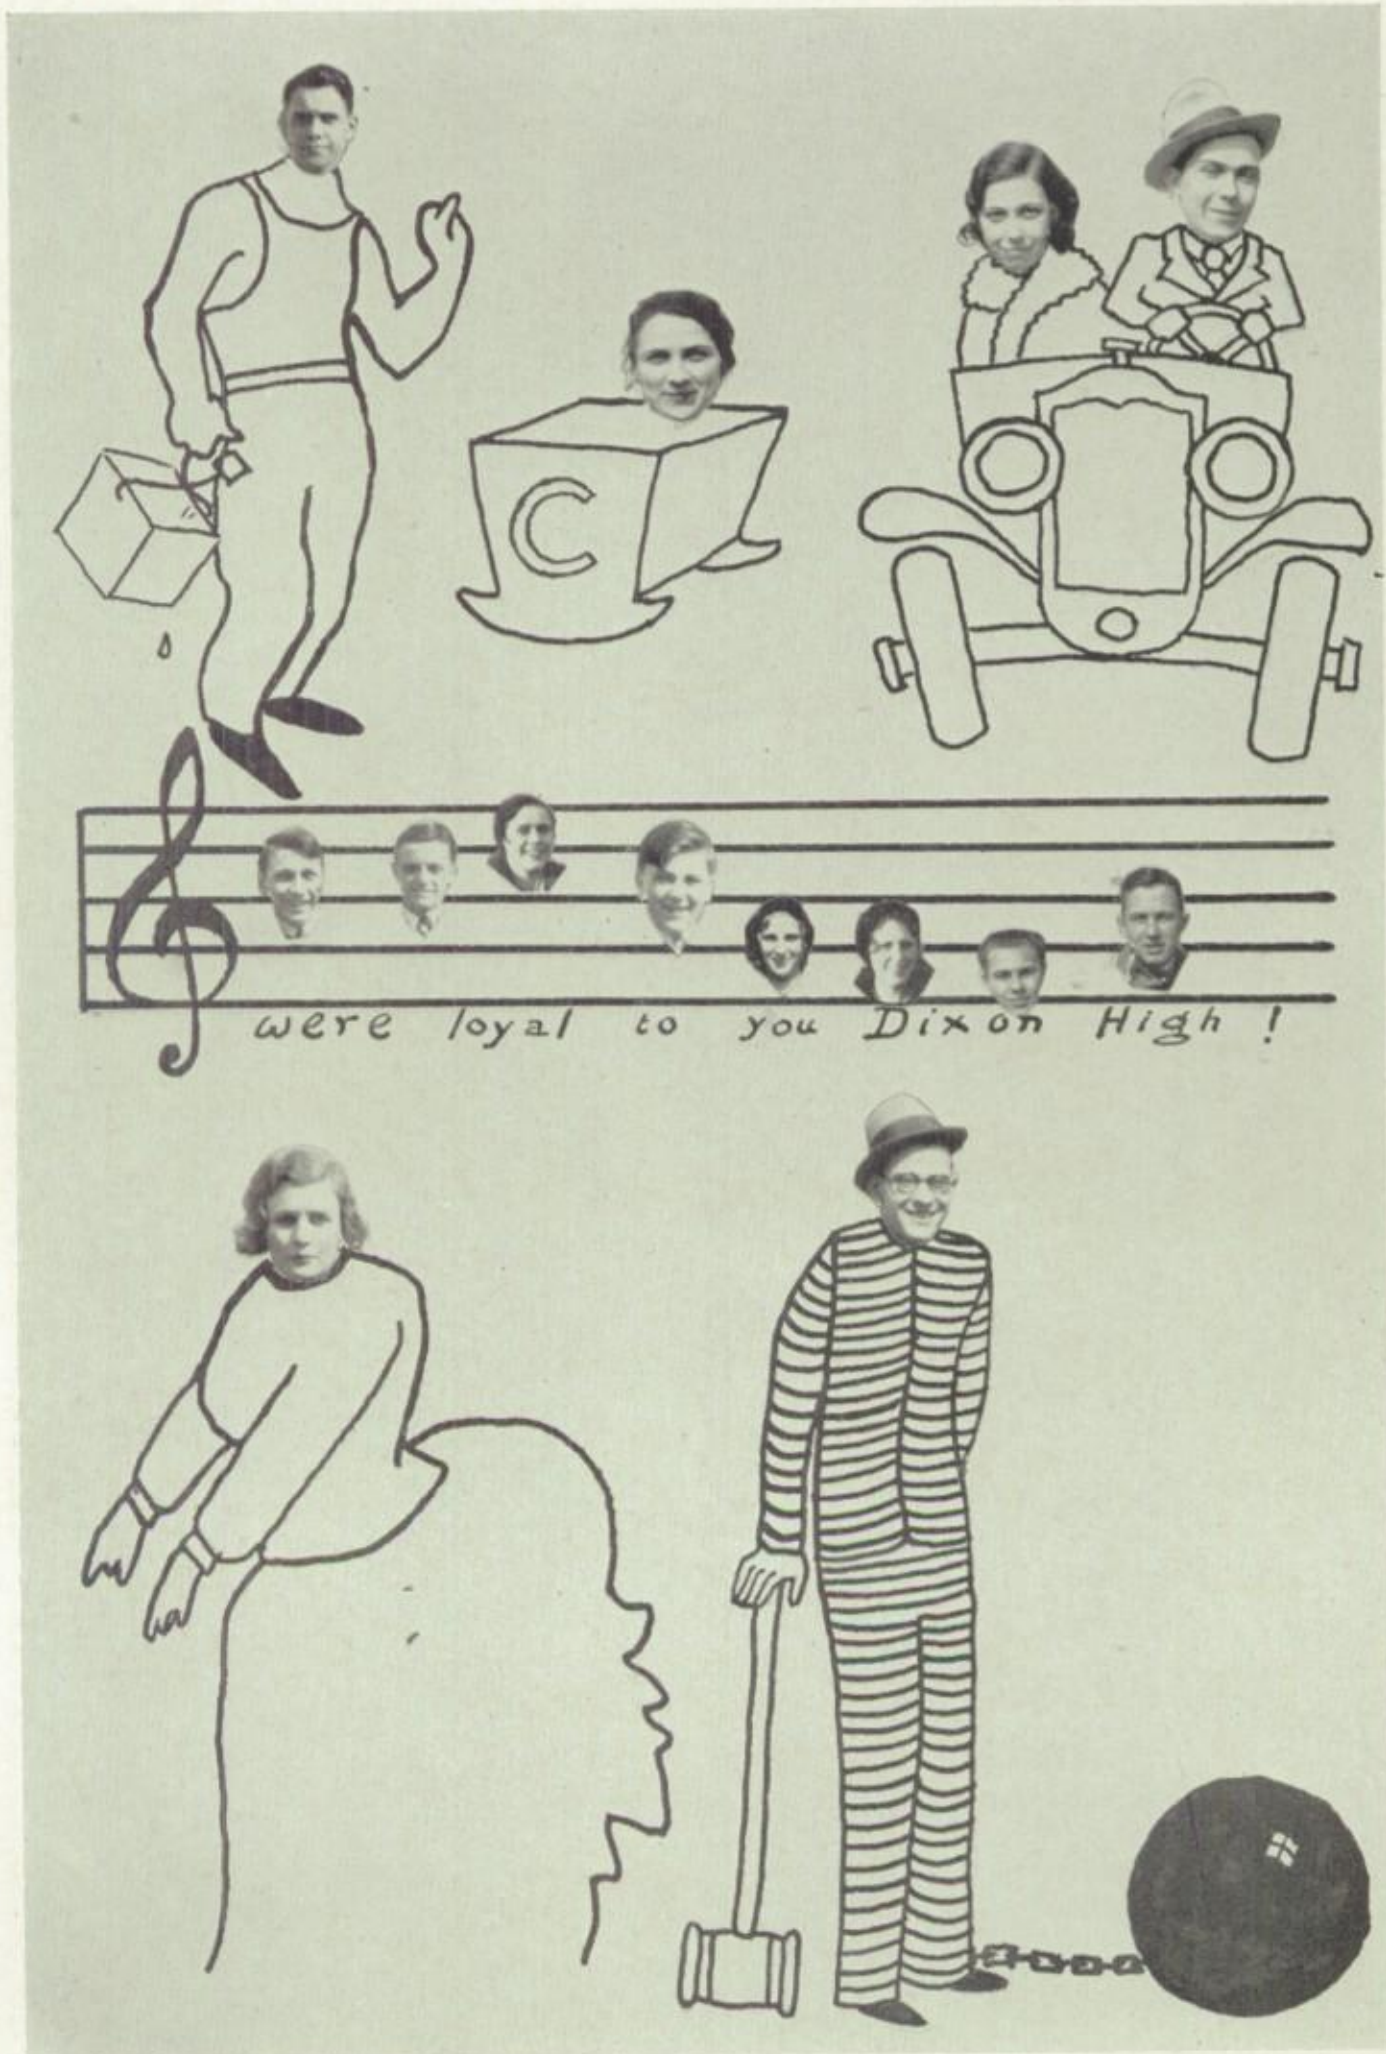

Now I must not forget to mention
Our high school lately acquired,
Right close to bridge and statue;
It is very much admired.

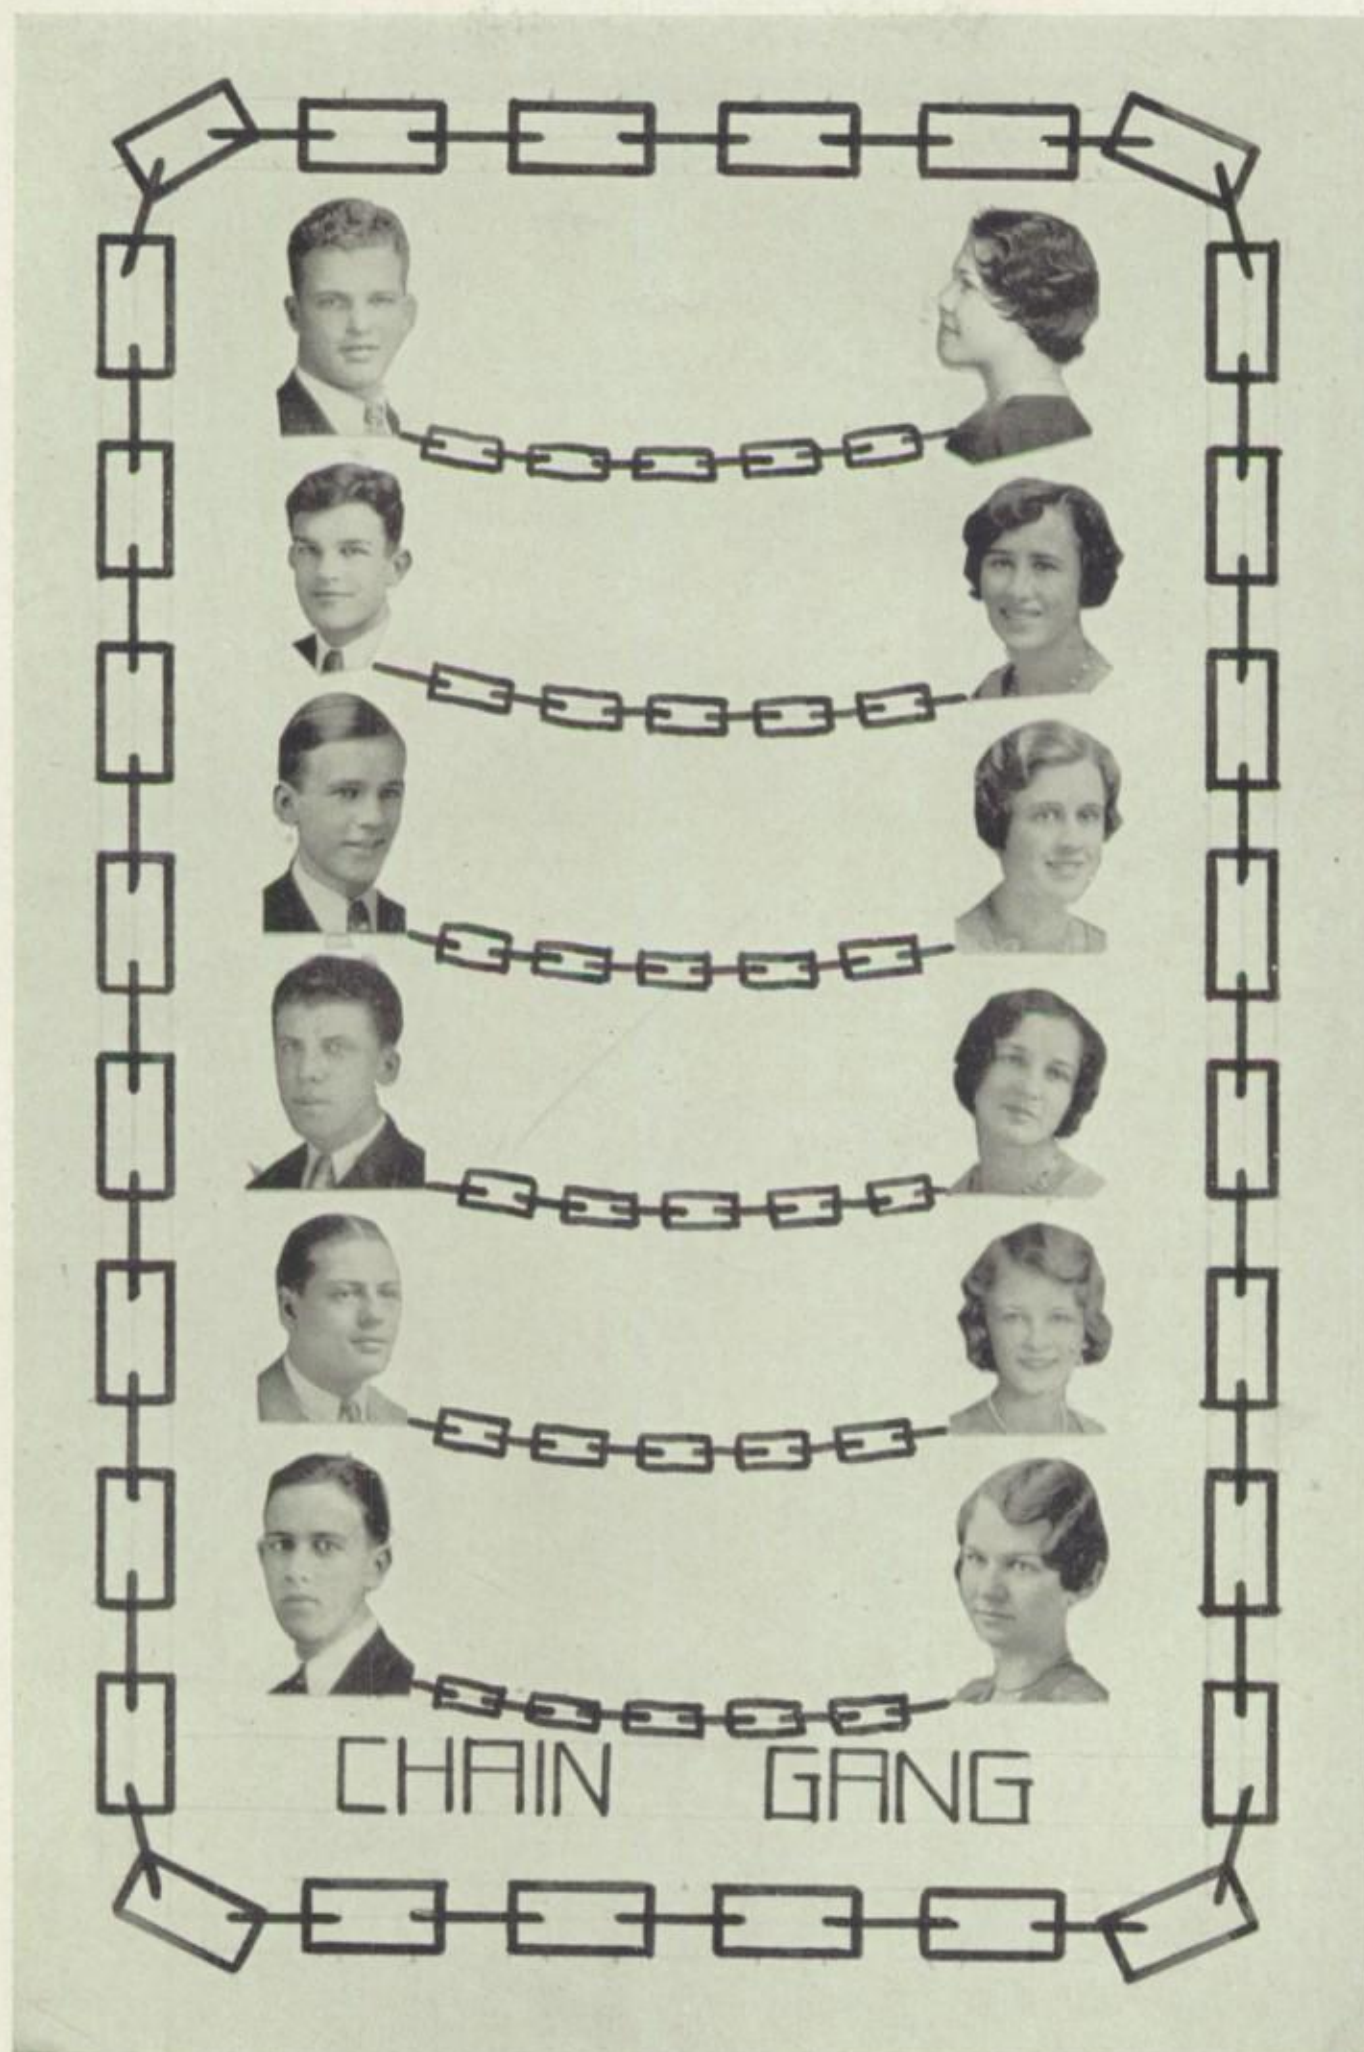

The building is a beautiful structure,
And the grounds are attractive too;
Its equipment right up to the minute,
And its faculty able and true.

And now as I sit in reflection,
And see this all at a gaze,
It brings back my wandering fancy
To the home of my boyhood days.

Donald Stephen—"Naw, this ain't gum; it's terbacco."

Miss Newman—"Oh, I beg your pardon."

Harold Murphy suggested "Whales".

"No," said Stanley, "we were baiting with whales."

Teacher (helping Jane fasten her coat)—"Did your mother hook this coat for you?"

Jane Bradford—"No, ma'am, she bought it."

Customer—"Bring me another boiled egg, please?"

Vernon Anderson—"Anything else?"

Customer—"Yes you might bring me a coop. The last one flew away."

Robert Sworm—"I don't know; I have no children."

Bill Smith—"I'm not half good enough for you."

Helen Chapman—"Why, Bill, you talk just like one of my own family."

Kathleen Dawson and Leah Rees were discussing men. "Which would you prefer in your husband; wealth, ability, or appearance?" asked Leah.

Her Mother—"But you'll have to give Kenneth credit for getting Pauline a nice engagement ring."

Her Father—"You're wrong there. The jeweler gave him credit for that."

Mother—"Robert, I'm ashamed of you for fighting again. Just think! Your father will have to buy you a new suit of clothes."

Don. S.—"How's zat?"

Floyd S.—"They pour water into their pants, and if it runs down their neck, they are flying upside-down."

Miss Scott—"Which is more useful the sun or the moon?"

Louis Pitcher—"The moon, of course. The moon shines at night when it is dark, and the sun shines in the daytime, when we don't need it."

Mrs. White—"What is the highest form of animal life?"

Louise Bally (quickly)—"The giraffe!"
